

52211167 HANSAVANTIS - Kitchen faucet, low pressure

EAN: 4057304019845

Single-lever, side-operated design for easy use. The pin-shaped lever includes hot/cold symbols for quick temperature adjustments. The swivel spout and laminar stream aerator provide a smooth flow of water. The \varnothing 30 mm ceramic cartridge ensures precise flow and temperature control, while the DZR brass inner body adds durability. With a maximum hot water supply of +70°C and a limitation option for temperature and flow-rate, this faucet is perfect for any kitchen.
